

BOLD COMMUNITY

The global innovation community for the economy of tomorrow.

CONCEPT

The **BOLD Community** is global initiative of the **Austrian Economic Chamber (WKO)** to nurture innovation. By bringing together trailblazers from the fields of business, research, policymaking and the creative industries in a curated network, **BOLD** aims to facilitate knowledge exchange and spark unconventional ideas.

AIMS

- To **connect visionaries** across geographic and industry boundaries, thereby sparking new ideas.
- To foster **collaboration across borders** by connecting innovators through individual matchmaking and unconventional event formats.
- To position **Austria as a hub for innovation** and a launchpad for groundbreaking projects and ideas, no matter where they come from.

NETWORKING

Curated matchmaking creates both on and offline spaces for innovative cooperation and promotes new business ideas.

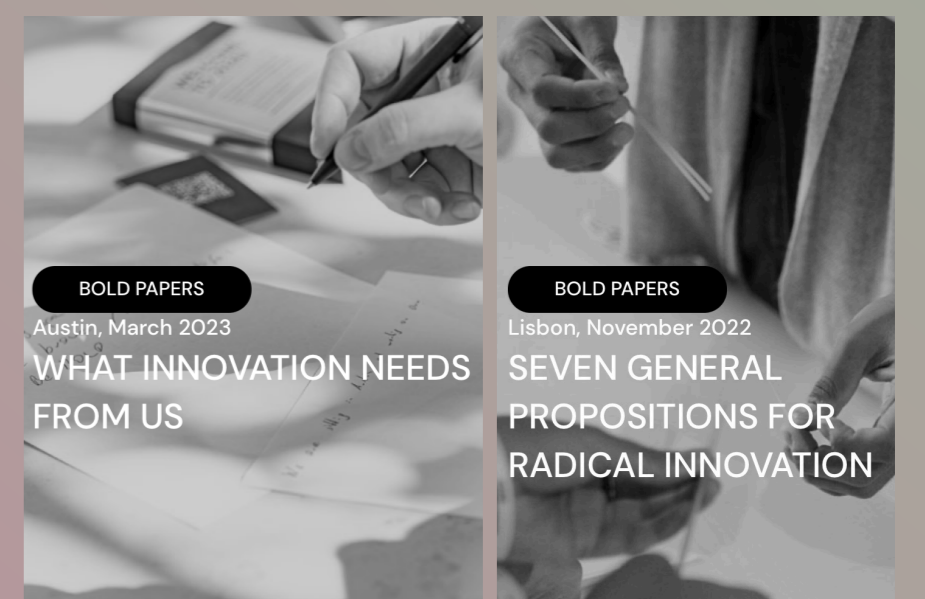

EVENTS

In **immersive event experiences**, **BOLD Minds** develop the ideas that will shape the economy of tomorrow.

CONTENT

Ideas, know-how and the latest news and trends easily accessible and explained for everyone who is **interested in innovation**.
